### SENIOR QUT STEM EXCURSION

Recently, our senior physics students attended STEM Workshops at the Queensland University of Technology, Gardens Point Campus. The class participated in two workshops: firstly, "Einstein's Theories of Special and General Relativity", where students conducted experiments and simulations of scenarios where relativity can be demonstrated; and secondly, 'Thermochemistry and Rockets', where students launched virtual rockets on "The Cube" (a huge 3D interactive screen), and analysed the chemistry involved in launching a rocket into space. The excursion was met with lots of enthusiasm from our students, who stated that they thoroughly enjoyed the experience.

### SAVE THE DATE – ART EXHIBITION

'Selfsameness' is a collaborative art exhibition that brings together the creative talents of the four Maryborough high schools: Aldridge SHS, Maryborough SHS, Riverside Christian College and St Mary's College Maryborough. Students explored the multi-faceted idea of identity, resulting in a vibrant blend of diverse perspectives and shared experiences.

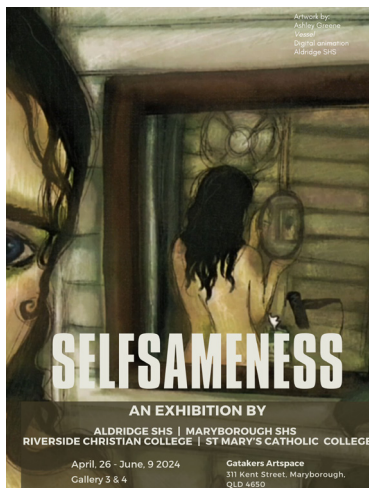

Join us for an investigation of identity that's diverse and dynamic, much like the students themselves. 'Selfsameness' isn't just an exhibition: it's a celebration of who we are and who we aspire to become. It uncovers the common threads that connect us all, while celebrating the unique qualities that make each of us shine.

**Opening night:** 26th April 5pm-8pm. Speeches at 6pm.

**Dates of exhibition:** 26th April – 9th June 2024

**Location:** Gatakers Artspace

Stay up to date via the [Facebook event](#). We look forward to seeing you there to celebrate our young artists!

### PARENT TEACHER INTERVIEWS - TERM 2

Term 2 Parent Teacher Interviews will be held for all year levels on Tuesday 30th April from 3:30pm-6:00pm, in the Aldridge Assembly Hall. These interviews are a great way for you, as parents, to meet teachers and discuss your shared desire for your child's success, and offer an opportunity to make plans together towards that goal.
