# THE WEEK AHEAD

## Term 3 - Week 4

### WRITE A BOOK IN A DAY

This year, six teams of Aldridge students took part in the annual 'Write a Book in a Day' competition. The teams were made up of writers, illustrators, editors and publishers. At the beginning of the day, they were given specific parameters to guide them in their book writing which included characters, settings and issues. They were then put into lock down in the library to create a 4000 word story with illustrations in 12 hours. The finished books and money raised go to the Kid's Cancer Project. The books are then distributed to hospitals throughout Australia for children to enjoy. We are incredibly proud of our student's efforts and their willingness to give back to the community.

### STUDENT SCHOOL PHOTOS - WEDNESDAY 22ND AUGUST 2018

Photography order forms have now been distributed to all students. If your child missed out on a form you can collect a copy from the school administration office. If you wish to take advantage of the family photos then the sibling order forms can also be collected from the school administration office.

**PLEASE NOTE:** Payments can be made online prior to the day via the [www.qldschool-photography.com.au](http://www.qldschool-photography.com.au) website or alternatively you can pay by placing cash or a cheque into your child's envelope which needs to be handed directly to the photographers on the day. **NO** payments are to be sent to the school office. If you are paying online, please record your payment reference number on your child's envelope which will be handed directly to the photographers on the day.
