Year 10 students will be required to participate in the ASHS BYOD (Bring Your Own Device) Program and will be expected to bring this device to school daily. The device will be used in class for a range of actions including:

- Accessing digital resources – videos, teacher-generated notes, educational websites, etc.
- Creating and collaborating on tasks and assignments – Class Notebook, PowerPoint, multi-modal presentations, subject-specific software, etc.

This will be enabled through our Learning Management System (Compass), Class Notebook and subject-specific learning sites such as Stile in Science and IXL in Maths. The device must be a Windows based laptop that meets our minimum specifications. Devices will be connected to students' network drives and school printers by the students, supported by the IT staff, during the first weeks of Term 1.

For full details on the BYOD Program and suitable devices please refer to the *Aldridge State High School Website* under Facilities/Computers and Technology/BYOD Program.
