Payment Options for the Student Resource Scheme:-

Payment can be made by cash, cheque, Visa, Mastercard, Eftpos, QKR or centrelink deductions. A receipt will be issued by the school for all payments made to the school.

## Consequence of Non-Payment of Student Resource Scheme:-

Participation in the scheme is voluntary. However, if parents/guardians choose to join the scheme a fee will be charged.

Before a student can be considered for activities such as non-compulsory excursions, camps, purchase of senior jerseys and senior shirts, a parent who has joined the scheme is expected to have:-

- Fully paid the student resource scheme fees, or;
- Paid the resource scheme fee up to and including the term in which the school activity takes place;
   or
- Have made regular ongoing payments towards the resource fees, as previously arranged with the school BM or MSO.

## Action will be taken for non-payment of Student Resource fees including:-

- Generation of reminder notices via txt, email and mail.
- Withdrawal of non-instructional resources as per agreement with P&C.
- Exercising discretion in excluding a student from participation in optional extra curricula school activities.
- Excluding a student from the scheme where the student's participation fee is overdue from the previous year.

Yours faithfully

David Burns

Principal
