

ALDRIDGE SHS GOLF PROGRAM

SUPPORT OPPORTUNITIES

Aldridge Golf Program is seeking pilot sponsors to help support Junior Golfers reach their goals. Our Golf Academy has continued to evolve and enhance experiences for all junior golfers, with a high-quality coaching program and strategic approach to the game, our program offers every enrolled student the chance to succeed. Through the support of the Maryborough Golf Club, our coaches, and QIGA affiliation, this golf program offers students opportunities to take their game to the next level. This program allows enrolled students exclusive chances to compete in both individual and team tournament play against metropolitan school teams. We start all golfers as training players and develop students towards their own golfing goals.
