KEY HAND OVER – NEW G BLOCK BUILDINGS

Preparation is well and truly under way at Aldridge for the impending arrival of Year 7 students in 2015. One of the more recent accomplishments was the completion of the new buildings that will house primarily Year 7s next year.

The open space under G Block was converted to four new well-equipped learning spaces and an undercover area was also constructed. The key handing over ceremony that took place on 18 February was officiated by the Honourable Anne Maddern MLA on behalf of Hon John-Paul Langbroek MP Minister for Education, Training and Employment.
