Being prepared.

### A MESSAGE FROM PRINCIPAL DAVID BURNS

Welcome to all of our students attending Aldridge State High School in 2025. A special welcome to newly enrolled students and parents/caregivers joining us for the very first time. I am confident that our school will provide you with a rewarding secondary school experience.

Our staff are focussed on your success, both in your learning and in other areas of school life. Please reach out to your child's class teacher or Year Level Coordinator should you have questions or concerns regarding school matters. Students who attend school every day make the most of their education and certainly attain the best results. Every day away from school leads to gaps in your education. We encourage our students to be involved in all activities on offer. The effort you put into your education contributes to the success you receive from it.

I wish every learner every success in 2025 and I look forward to getting to know your child in their learning setting as I visit classrooms throughout Term 1.

**It's not too late to enrol for 2025!** If you or someone you know is considering joining the Aldridge family, we warmly welcome your application. We look forward to being a part of your child's educational journey and helping them achieve their goals. Here's to an exciting year ahead at Aldridge State High School!

### WELCOME TO THE 2025 SCHOOL YEAR

What an enthusiastic and positive start to the school year we've had! Students have spent the week settling into their new timetables, connecting with their teachers, and, for our Year 7s and new students, began finding their way around the Aldridge grounds.

A highlight moment from this week was Wednesday's special tradition to welcome our Year 7 students. They were celebrated with a formal guard of honour, created by their peers, as they made their way into the Aldridge Hall for the first full school parade of 2025. This cherished tradition marks the beginning of their journey as part of the Aldridge community. The next time they take that walk will be in their final year, as they bid farewell at the end of Year 12 - something our current seniors can look forward to later this year. A huge thank you to our dedicated administration team, teachers, teacher aides, support staff, and cleaning and grounds staff for their outstanding efforts in preparing the school grounds and classrooms for the start of the new school year.

With exciting plans ahead, we can't wait to see what 2025 brings. If you haven't already done so, be sure to follow our school's Facebook page to stay updated and catch more highlights from the first week back.
