After School Tutorials - Homework Centre:

Every Tuesday to Thursday from 3:00pm - 4:00pm in the Library (Radio Room).

Fortnightly Focus Weeks 6 & 7:

Appropriate ways to resolve conflict.

BRINGING HISTORY TO LIFE IN YEAR 8!

In Mrs Swinburne's Year 8 History class, students recently took a hands-on approach to their studies by stepping back in time to the Viking era! As part of their exploration of this period, students designed and created their very own mini Viking shields.

The project began with students researching traditional Viking shield designs, paying close attention to the symbolism and patterns used. After carefully sketching their concepts, they transformed their ideas into reality, adding bold colours and intricate details to bring their shields to life. The results? A collection of epic, warrior-worthy shields that truly showcased their creativity and historical knowledge.

By engaging in active learning, they gained a deeper appreciation for Viking craftsmanship and the role these shields played in battle and daily life.

A VISIT FROM THE AUSTRALIAN DEFENCE FORCE

The Australian Defence Force (ADF) recently visited Aldridge, providing students with valuable insights into career opportunities within Defence.

With career mentors and serving military personnel on hand, students gained an understanding of the benefits of a Defence career, the application process, and the many roles available.

Whether they were set on joining or just curious, it was a great chance to explore their options! A big thank you to the ADF team for sharing their knowledge and experiences with our students!

INSPIRING FUTURE LEADERS AT INTERNATIONAL WOMEN'S DAY EVENT

This week, a group of our female students from Years 10-12 attended the Queensland Train Manufacturing Program International Women's Day Panel Event in Maryborough. Featuring industry professionals from Downer, the event provided a great opportunity to learn about careers in rail and manufacturing.

Students had the opportunity to engage with inspiring panellists while learning about diverse career pathways. The event encouraged them to reflect on their own strengths and future aspirations, leaving them motivated for the journey ahead.
