2024 ANZAC DAY AND MEMORIAL EVENTS

This week has been filled with events commemorating ANZAC Day, a day to remember and honour those who served and sacrificed for our country.

On Wednesday, our entire school gathered in the Aldridge Hall for a special ANZAC Day ceremony. It was a poignant and respectful event, with senior student, Chloe Hodges, playing the Last Post, creating a deeply moving atmosphere.

On Thursday, both students and staff from Aldridge SHS attended the Maryborough ANZAC Day march through the CBD, leading to the ceremony at the cenotaph. Our Senior School Captains laid a wreath on behalf of the Aldridge community, demonstrating our school's commitment to honouring those who served. It was great to see our students representing Aldridge at both this march and other community events throughout the day.

Another significant event took place on Monday, marking the anniversary of the unveiling of the Butchulla Warriors Memorial. Our student leaders, along with other school members, were proud to be part of the ceremony. We are grateful to Uncle Glen Miller and the Butchulla Men's Business team for inviting us to join in this important occasion.

A highlight of the memorial ceremony was hearing from Lachlan Hansen and Calen Simpson, who spoke about their collaboration with Uncle Glen to craft the lifelike bronze shields and footprints, a significant tribute to the Butchulla warriors. This memorial is a powerful reminder of the contributions and sacrifices made by Aboriginal people in defending our country.

We want to thank everyone who attended and contributed to these very important events. Please see our school's [Facebook page](#) for more photos.

FRIENDSHIP ON THE FAIRWAYS - ALDRIDGE GOLF PROGRAM RESULTS

Our 2024 QIGA season continued this week with three of our tournament squad players competing at Coolangatta Tweed Heads Golf Course. This event brings together the top Queensland School Golf Academies for four rounds of team and individual competition. It's great to celebrate individual scores, but it's also fantastic to see teams compete with great sportsmanship and build new networks. Our players faced tough conditions with wind, rain, and extremely fast greens. Golf Program Manager Mr. Hodgo made the last-minute decision to enter two junior players into the senior competition, and after two weeks of mental preparation, the risk paid off. Mr. Hodgo encouraged them to challenge themselves and learn from the experience, whether they failed or succeeded.

Out of 82 players, our results were; Cody Anderson (Year 9) 1st place nett, Taj Peek (Year 10) 4th place gross and Zane Stowers (Year 8) 12th place nett. We are incredibly proud of our players, both in the tournament and training squads, and look forward to our next event in late May!
