

Daymap Parent Portal allows parents to log in to view a range of information including:

- Push notifications of messages
- View all student information: attendance, reports, assessment and results, and student records and notes
- Calendars and events

The portal can be accessed via the website: <https://aldrigeshs.eq.daymap.net/daymapconnect>

Daymap also provides a free mobile app for both Android and iPhone users. iPhone users require a minimum of iOS 9.0 and Android users require a minimum of 4.4 (KitKat).

Using the App for the First Time

Download the **Daymap Mobile** app from your app store

Apple App Store

<https://apps.apple.com/au/app/id1494799850>

Google Play Store

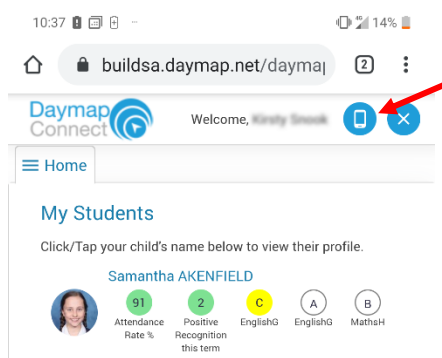

<https://play.google.com/store/apps/details?id=net.daymap.mobile>

When using **Daymap Mobile** for the first time, you will need to launch the app via a link in your School's Daymap web application (this link can also be used to download the app). Subsequent uses of Daymap Mobile can then be made by tapping the Daymap app icon in your list of apps.

Open the browser and navigate to <https://aldrigeshs.eq.daymap.net/daymapconnect>. Login with your email address and password and then click on the mobile icon at the top of your screen (image below).

If you have forgotten your password, click the forgotten password link and follow the steps to generate an email with a link to reset your password.

You may be requested to allow Daymap to send you notifications, this will be required if you wish to receive push notifications when you receive a message from the school.

Depending on your device, you may need to re-enter your credentials for the home screen of the app to load.

If you have any problems, please call the school and ask for Amanda in the IT area or email DaymapParentInfo@aldrigeshs.eq.edu.au
