

Welcome to Learning with Technologies' BYOD Programs

Learning with Technologies (LWT) is one of the largest education IT providers in Australia. We have shipped over 30,000 devices to parents via our BYOD Program.

Commercial Grade Devices

The devices we offer via our portals are commercial grade that you won't find in a retail store. Built to a higher quality and all coming with 3 year warranty options, they are designed to last longer than their retail counterparts.

Easy Graphical Comparison

To help parents choose the right device we use easy to understand graphic icons to help parents compare units using a side by side comparison of key specifications to help their choice.

Hassle Free Quick Onsite Servicing

The student environment often leads to a higher number of repairs. Onsite support at the school greatly reduces frustrations for parents. Getting a retail device repaired usually takes weeks and quite often requires the parent to take time out of their day.

Accidental Damage Protection

We offer well priced insurance options that give Accidental Damage protection with quick repair times. We use Manufacturers Insurance to help guarantee parts availability.

\$100 Deposit to Secure a Device

We offer parents a \$100 deposit option to secure a device and let them pay much closer to the delivery date.

12 Month Interest Free or 36 Month Payment Plans

We recommend 36-month payment plans that are approved online via Latitude. These plans not only help spread the cost for parents but are designed so the device is fully paid for at the end of the 36 month period.

Wide range of payment options

We provide a wide range of online payment methods. Please note Credit Card and PAYPAL payments incur a 1% surcharge.

Quick Delivery

Many education devices are considered to be a special build and often have lengthy lead times. LWT work with our suppliers and bring in thousands of devices upfront so students can have them in a week rather than months.

Delivery location options

Our site lets parents choose their delivery location, either an address or their preferred Auspost Collection Point, whichever is easier for them.

Dedicated BYOD Hotline

To ensure parents calling us get to the right person, we have a dedicated hotline just for BYOD related calls. Parents can call us with ordering, payment and delivery enquiries on 1300 839 60.
