

ALDRIDGE STATE HIGH SCHOOL BYOx

HOW TO CONNECT TO DAYMAP

These instructions show you how to connect to Daymap on your personal device at home or at school.

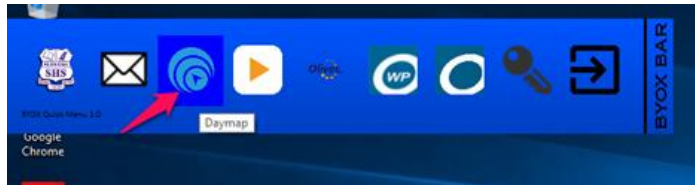

How to set your Daymap password if you don't know it

1. If at school, make sure you are connected to DETE-BYOx

2. Double-click the BYOx Bar icon on your desktop to open it. Click on the Daymap shortcut or click/type this link:

<https://aldrigeshs.eq.daymap.net>

3. **Only** enter your school username

4. Click 'Forgot your password?'

Username:
Password:

5. On the next window, enter your school username into the box and click 'Reset Password' (This simply sends your password to your email account – there is no way of changing your password.)

[Forgot your password?](#)

Enter your Daymap account name to reset your password. Your new password will be emailed to your school email address.

6. Open your email to retrieve your password: <https://owa.eq.edu.au>
If the email does not show in your INBOX, please check your JUNK folder.

7. The email has a link you need to click on – [Click here to reset your password](#)

8. This takes you to the Password Reset page where you enter your own new password twice. This password never changes, so can be different to your school password. It must be a minimum of 8 characters with upper and lower case letters and number/s.

Daymap Password Reset

Please enter and confirm your new password to log on to your Daymap account.

9. Go back to the Daymap Sign-in page and enter your username and new password.
